PARTNER WITH THE TEAM

SPONSOR THE BUILD.

River Valley Robotics is a student-led combat robotics team. Your support puts tools in students' hands and keeps the robot in the arena.

WHO WE ARE

SMALL TEAM. REAL WORK.

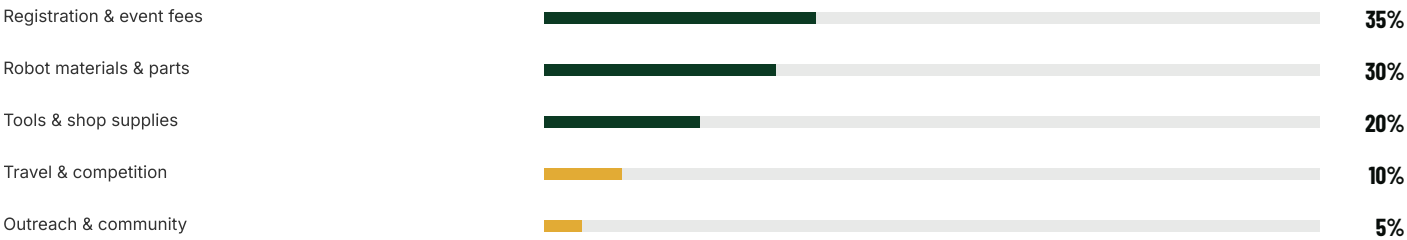

At River Valley High School, students design, fabricate, wire, program, and test a combat robot. Most start with no experience. They learn by doing — and by fixing what breaks.

Sponsors make that possible. Your support covers the parts, tools, fees, and travel that turn an after-school club into a serious learning experience.
